Re: Monthly Progress Report, Peer Review of EPA's Draft Assessment Product- 2021, Contract # 68HERC19D0011; Task Order # 68HERC21Fo401

Dear Ms. Soto:

This progress report for the contract task referenced above covers the month of May 2022.

During the reporting period, project-related activities consisted of screening individual nominations for committee membership, addressing relevant areas of expertise, potential conflicts of interest, and other considerations. Screening involved gathering and examining biographical information on the candidates and conducting video conferences to discuss their interest in being considered for service on the committee and any potential conflicts of interest. In addition, project staff responded to requests for information from members of the public regarding the project.

In the following period, National Academies staff will continue to screen individual nominations in anticipation of preparing a committee nomination slate for National Academies approval. As needed, project staff anticipate addressing any public requests for information from regarding the project.

A summary and details of project-related expenditures are provided below.

Financial information for May 2022:

Labor Cost	\$	Ex. 4 CBI
ODCs	\$	
Overhead	\$	
G&A	\$	
Total May 2022	\$	<u>6,428.38</u>

The total expenditures since inception are \$54,808.21. The attached figures and tables show dollars spent, a comparison of total funds spent and labor costs, cumulative funds spent by activity (excluding labor), and cumulative hours worked by staff.

Sincerely,

Kathryn Z. Guyton
